Re: [REDACTED]

Dear Agent Graham:

Mr. [REDACTED] has actively participated in treatment with me since February 09, 2012. He joined my New Outcomes Group meetings on February 23, 2012.

During the twenty two months of New Outcomes sessions, Mr. [REDACTED] has rarely missed a meeting. He demonstrated excellent leadership abilities, had good insight, a positive attitude, was well prepared on the discussion topics, gave cogent feedback, and was a model group member. He successfully participated in family-related activities without any complications.

Mr. [REDACTED] last group meeting will be held on December 16, 2013, at which time he will have completed the group therapy provided by New Outcomes. It is with a reasonable degree of medical and psychiatric certainty, I feel that Mr. [REDACTED] is a very low risk to re-offend.

Thank you for the opportunity to work with Mr. [REDACTED]

Yours truly,

Thomas V. Martin, M.D.
